**REPORTS**

**President/ Kris:**

No report

**Treasurer/Larry:**

Larry reported on our finances. All is in good order. We are waiting for the Selco report for a complete report. We have 15 members renewing their membership. This includes 2 new members.

**Dance Coordinator/ Website/ Bob:**

We discussed canceling the September 11 dance. The musicians canceled, and we do not know what the status of covid restrictions will be.

Mark Sherman has indicated he is not interested in being the sound technician this year. It is too much effort to transport equipment and set it up at the school. We will look into finding a new sound technician.

**Old Business:**

Another survey will be sent before labor day to determine whether people are comfortable to dance again.

The band for September 11 has canceled. Our next dance will tentatively be September 25.

The board members will review volunteer job descriptions.

**NEW BUSINESS:**

**Boardcast**

There is a technical glitch in the SMTP server which only allows 200 emails to be sent each hour. Larry will investigate using the Amazon SMTP client to resolve this issue.

**Website**

Bob, Larry and David will meet on 8/10 at 4:00 PM to review the survey process on the website.

**Fall BYOP**

The party will be held on August 28 at 3:00 PM until it ends.

Larry moved and Jacque seconded the motion to adjourn.

**Adjourned:** 5:55 pm.
