Secretary:

David will get the recent minutes onto the website. Bob will assist him in using the web editing tools.

The secretary will post the dates of board meetings and dances. The dance coordinator will fill in the details once they are known.

NEW BUSINESS:

Erin Fifield from Cascade Contras proposed that EFS sponsor an urban dance camp. Perhaps on 10 October 2022 somewhere in Eugene. There was discussion, and the board gave support the committee doing research into where this could be held.

There was discussion about the Morris dancers using the garden club for their meetings. We discussed the possibility of doing other dances there, also.

Bob will call the school to be sure we will have access to the facility when we are ready to dance again.

Bob will inform Robert, our dance programmer, that the Board will hire callers who will use gender-neutral terms, in congruence with our inclusivity statement.

Discussion about what to do about memberships when dancing resumes. There were a small number of people who renewed their memberships. Once dancing resumes, the memberships of all members will be extended. Those who renewed their memberships will get a year extension beyond the limit to other members.

There will be a boardcast before the February meeting.

Adjourned: 7:20pm.
